

Date	Week	Goal Hours	Actual Hours	Overall Plan	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
06/07/2022	1	6	6	Identifying a target score, reviewing math formulas, and creating vocabulary flashcards	Meet with tutor: identify unfamiliar math formulas/concepts 1 hour	Full-length SAT practice test to identify target score 2 hours	Blocked off for summer job	Blocked off for summer job	Blocked off for summer job	Blocked off for summer job	Create vocabulary flashcards to practice with during the study period 2 hours
13/07/2022	2	7	7	Introductory material to each section	Meet with tutor 1 hour	Skimming practice/reading comprehension practice/timing 2 hours	Blocked off for summer job	Blocked off for guitar practice	Gaining comfortability with unfamiliar math concepts 2 hours	Standard English Conventions practice: sentence structure (run-on and incomplete sentences) 2 hours	Rest day
20/07/2022	3	7	7	Reading practice test, start working with Heart of Algebra content	Reading practice test 1 hour Meet with tutor 1 hour	Understand and rectify any missed questions from the practice Reading Test 1 hour Reading Test practice: understanding words in context and how they impact tone, style, and meaning 2 hours	Blocked off for summer job	Blocked off for guitar practice	Blocked off for summer job	Heart of Algebra: linear equations and systems 2 hours	Rest day
27/06/2022	4	7	7	Usage, author POV, and Heart of Algebra practice	Standard English Conventions: usage (subject-verb or pronoun-antecedent agreement) 2 hours	Blocked off for summer job	Blocked off for summer job	Blocked off for guitar practice	Reading passages and practice: Identifying the author's POV and supporting evidence. Finding the passage that best supports answers to previous questions 2 hours	Heart of Algebra linear equations and systems 3 hours	Rest day
04/07/2022	5	7	7	Reading practice test, introduction to Problem Solving and Data Analysis, and creating a personal study guide	Meet with tutor to discuss next steps and strategy adjustment if needed 1 hour	Blocked off for summer job	Reading Test practice: analyzing and interpreting information, evaluating hypotheses, consider any content implied by the passage 2 hours Practice reading test (adjust strategy as needed) 1 hour	Blocked off for guitar practice	Craft your personal study guide with tips and strategies learned so far 2 hours	Problem Solving and Data Analysis: percentages, quantities, units, and conversions 2 hours	Rest day
11/07/2022	6	7	7	Problem Solving and Data Analysis, punctuation and grammar practice	Problem Solving and Data Analysis: ratios, rates, proportional relationships, and scale drawings 2 hours	Blocked off for summer job	Standard English Conventions: punctuation and grammar 2 hours	Blocked off for guitar practice	Practice reading test 2 hours	Passport to Advanced Math: working with equations, quadratics, and exponents 2 hours	Rest day
18/07/2022	7	10	10	Reviewing personal study guide and full-length SAT	Meet with tutor 1 hour	Review personal study guide 2 hours	Review personal study guide 2 hours	Blocked off for guitar practice	Review personal study guide 2 hours	Take and score a full-length SAT practice test to check progress and adjust strategy 3 hours	Rest day
25/07/2022	8	7	8	Adjust strategy based on SAT results	Meet with tutor to discuss results and adjust strategy 1 hour	Problem Solving and Data Analysis: probability, populations, statistics, and evaluating data reports to draw conclusions 2 hours	Expression of Ideas: main ideas, organization of sentences, working with effective language usage 2 hours	Blocked off for guitar practice	Blocked off for summer job	Passport to Advanced Math: polynomials (adding, subtracting, simplifying, and practice with rational expressions) 3 hours	Rest day
01/08/2022	9	10	9	Review Reading test material, Expression of Ideas questions, and exploring graphs	Meet with tutor to discuss next steps 1 hour	Blocked off for summer job	Problem Solving and Data Analysis: understanding graphs (quadratic, scatterplot, exponential, and their variables) 3 hours	Blocked off for guitar practice	Passport to Advanced Math: Sketching graphs, identifying relationships between variables, and other assorted topics 3 hours	Review personal study guide focusing on Reading Test content: identifying author POV and evidence, understanding words in context and how their usage impacts the passage, message, tone 2 hours	Rest day
08/08/2022	10	10	11	Updating personal study guide with new material learned	Meet with tutor 1 hour	Additional Topics In Math: practice with circles (including finding arc lengths, angle measures, chord lengths, and areas of sectors) and volume formulas 2 hours	Additional Topics In Math: trigonometry, triangle properties, and the Pythagorean theorem 2 hours	Blocked off for guitar practice	Update personal study guide with new material learned 3 hours	Review personal study guide topics so far 2 hours	Review personal study guide topics so far 1 hour
15/08/2022	11	8.5	8.5	Review study study guide before taking another SAT test under test day conditions	Meet with tutor 1 hour	Math practice: assorted topics, including problem solving and word problems 2 hours	Blocked off for summer job	Review personal study guide 2 hours	Blocked off for summer job	Full-length SAT test under test day conditions 3.5 hours	Rest day
22/08/2022	12	6	6	Discuss any other areas for improvement with tutor and work through test results independently	Meet with tutor to discuss results and any other improvement areas to work on 1 hour	Analyzing practice test and correcting and understanding missed questions 2 hours	Blocked off for summer job	Blocked off for guitar practice	Working through any other weaknesses indicated by practice test and update study guide 3 hours	Blocked off for summer job	Rest day
